Shape your world the way you want it

The office of the future is agile and flexible. When you need to change the use of a space without knocking down walls, then you need Sigmund. This ingenious sound-absorbing screen can make any area feel like a private office.

Create a smaller Collaboration Zone within an open-plan space, or curate an enclosed seating area. Wherever the flow of your workplace, Sigmund can help you intuitively meet the needs of your team. Without having to don a hard hat.

Be a little flexible with Sigmund. This soundabsorbing screen enables you to easily create zones in an office.
