PLANNER

Mobile plant divider

Design: Lauri Visnapuu

Transform the office into a lush forest and show your commitment to employee well-being. Grow's flowerpots of three different heights act as smart space dividers, offering a secluded retreat from the endlessness of the open office floor plan. Equipped with 360-degree rotating wheels, these planters allow you to refresh the office landscape with a new floral arrangement at your whim.

For added versatility, Grow absorbs office noise and fosters a tranquil environment for the team. Alternatively, choose a multifunctional design featuring a spacious shelf on one side, blending utility with natural beauty.
