

Flow

Shared office desk

Design: Martin Pärn / Janno Nõu, Iseasi

Sometimes, only a few people come into the office and the room feels empty. Other times, when everyone is there – management, busy bees, guests – it could get a little crowded. With Flow, a shared office desk, neither loneliness nor a lack of space is never an issue

Flow is the social centre of the room, providing an equally welcoming haven for colleagues without a fixed desk as well as for groups holding meetings. The hidden sockets in the table's shelf supports enable one to be productive. It is also an ideal place for team lunches and casual chats. Flow stands without screws on stylish trestles, allowing you to effortlessly give the room a different look with a reversible two-tone tabletop.
