

# Kimi

## Japandi-inspired, environmentally conscious sofa

Design: Argo Tamm

Inspired by Japandi style, Kimi brings balance, calm and conscious simplicity into the workplace. Its solid wood frame has a restrained, architectural presence, while adding warmth and natural character to the interior.

Thanks to its modular structure, Kimi can be configured into sofa compositions that suit a variety of spaces — from reception areas and lounges to quieter meeting and conversation zones. A practical movable armrest/table is available as an accessory: one side functions as a comfortable support to lean against, while the other provides a solid surface for a coffee cup, laptop or notebook. Decorative cushions can also be added to enhance back support and overall comfort.

Welcome Zone

Social Zone

Help create a balanced, low-stress environment

Offer comfortable seating for relaxed conversations

Support sustainable and responsible interior design

## PRODUCT INFORMATION

## FINISHING OPTIONS

### Leg frame

#### Solid ash

Natural

Oak stain

Other finishing options available on request.

**One of Intuit's most sustainable sofa solutions**

Kimi has been designed in line with **circular economy principles**. Instead of a traditional boxed construction, its frame is based on monomaterials, making the sofa fully recyclable. All upholstery covers are completely removable, allowing for easy maintenance and replacement — extending the product's lifespan and supporting long-term, responsible use.
