

Kimi

Japandi-inspired, environmentally conscious sofa

Design: Argo Tamm

Inspired by Japandi style, Kimi brings balance, calm and conscious simplicity into the workplace. Its solid wood frame has a restrained, architectural presence, while adding warmth and natural character to the interior.

Thanks to its modular structure, Kimi can be configured into sofa compositions that suit a variety of spaces — from reception areas and lounges to quieter meeting and conversation zones. A practical movable armrest/table is available as an accessory: one side functions as a comfortable support to lean against, while the other provides a solid surface for a coffee cup, laptop or notebook. Decorative cushions can also be added to enhance back support and overall comfort.

Welcome Zone

Social Zone

Help create a balanced, low-stress environment

Offer comfortable seating for relaxed conversations

Support sustainable and responsible interior design

PRODUCT INFORMATION

Versions

Available in many different sizes

Natural

Oak stain

Other finishing options available on request.

One of Intuit's most sustainable sofa solutions

Kimi has been designed in line with **circular economy principles**. Instead of a traditional boxed construction, its frame is based on monomaterials, making the sofa fully recyclable. All upholstery covers are completely removable, allowing for easy maintenance and replacement — extending the product's lifespan and supporting long-term, responsible use.
